

Food Truck Thursdays

Burke Centre Conservancy will be hosting a new food truck every Thursday night from August 20 to September 24 in the Ponds Community Center parking lot from 5:00 PM to 8:00 PM. Every dinner truck gives the option of ordering ahead of time to reduce crowding.

Dessert trucks are walk-up, first come first serve order only.

Please share this with everyone! The best way to get food trucks to come to our community is to show them our support. Delicious dinners await. Social distancing required; and masks recommended when waiting for or picking up your order. Thank you!
