Process Steps

- **Mitigation technique selected**
- **Design & location plan provided to the neighborhood**
- **Affected OWNERS' opinions are solicited**
- **If all owners in agreement, plan voted on**
- **If owners object, plan revised to accommodate their preference**
- **Revised plan provided to the neighborhood**
- **If all owners in agreement, plan voted on**
- **Three options: vote yes, vote no, do not vote (counts as a vote of no)**

Things To Keep In Mind

- **There is a very specific process that takes place**
- **It involves VDOT, FCDOT, Braddock district staff, the Conservancy staff and neighbors**
- **It is very time-consuming**
- **It requires communication among all participants**
- **Because we have a homeowners association, there is a pathway for that communication**

Communication

**Select Chair of the
Task Force**

**Select Vice Chair of
the Task Force**

Identify Responsibilities

- **Staff**
- **Neighborhood trustee**
- **Board liaison**
- **Task force**
- **Braddock district**

Establish Administrative Procedures
