at the Chik Fil-a entrance to Burke Centre Parkway, Virginia Department of Transportation (VDOT) traffic research and Burke Centre comments have continued. VDOT has a plan to block turning left onto the Parkway but more traffic flow research is warranted. The dialogue with VDOT continues before final approval.

Those who use the Oaks Pool know that reconstruction is pending due to years of wear and tear. A recent pool community meeting raised many concerns and ideas, so discussions will resume. Construction will be postponed until 2025 after the swim season, it appears.

**Annual Meeting:** The Zoom meeting on March 18<sup>th</sup> also served as the “Burke Centre Annual Meeting” which included discussions of Conservancy objectives, progress on projects, the financial situation, and, as always at our meetings, conversation with residents who joined into the Zoom.

We were privileged to be joined by our Braddock District Supervisor, James Walkinshaw. He was just re-elected to his second four-year term. His highlights:

- The next County budget is in staffing (Fiscal Year is 1 July-30 June). Pending budget challenges include:
  - Funding sources continue to be dramatically reduced due to the accumulation of empty office space throughout the County. Populated offices provide revenue from building use, commuting fees, gas taxes, and surrounding businesses. Office vacancies result from the pandemic and new enthusiasm for remote work.
  - Expect a rise in property assessments despite attempting to reduce the overall budget by 7%, largely by eliminating unnecessary personnel positions.
  - County school budgets remain underfunded (especially K-8). Current available salaries continue to limit hiring and retention. County teacher shortages are declining but remain 3.5% short. However, the County is working hard to improve teacher quality through improved in-service training programs. Notably student catch-up programs are a priority, especially in reading.
  - County school enrollment declined from 189k to 181k but school costs have increased, largely due to increased demand for special needs programs and an increase in numbers of students from families below the poverty line. Enrollment is expected to increase from 181k to 183k next Fall as more students return from pandemic alternative schooling.
- State funding of schools fails to keep pace.
- County nurse shortages are 15%. No comments on why and corrective actions.
- Public safety and crime are frequent discussion points. Notably, Fairfax County has the overall lowest violent crime rate in the nation. Yet, auto thefts and shoplifting rates are increasing.
- Too little affordable workforce housing in Fairfax County is a challenge, especially important to

the County workforce like teachers and firefighters. Affordable housing is open to all in keeping with the Federal Fair Housing Act, but the County workforce especially needs it. The County is adding 10,000 new units soon by partnering with private organizations and using government funding when it is available.

County projects of note:

- The Fairfax County Parkway highway widening upgrades are dominated by the Popes Head Road interchange. Construction has started ... don't we all know if we travel the Parkway! Three roundabouts are planned. Completion is expected in 2026.
- The Fairfax Station Fire House will be replaced. Construction of a temporary house construction has started. Permanent firehouse house completion is 2026.
- The Chik Fil-A exit issue, which includes some road construction changes, continues to be discussed by VDOT and residents. VDOT plans another public meeting.

Thanks, all, for being attuned to Conservancy actions and conditions. All residents have a stake in preserving the high quality of living in our part of the County!

**One Last Item:** Spring brings community families outside to walk their dogs or maybe they linger outside in the warmer weather. A problem we continue to have is that many residents don't properly care for their pets, particularly picking up droppings, bagging droppings, and returning them to their own garbage. Some dogwalkers think they can just drop the baggie into someone else's garbage can, leave the bag laying on some-

one else's lawn, or worst, not pick up the droppings at all. Not only is this a discourtesy to neighbors, but, if left without removal, there are diseases that arise such as the deadly Parvovirus, let alone dogs' hookworms or roundworms. Courtesy matters! Sanitation matters! Please mind your dogs and your community responsibilities.

Great ideas come from all over. Thoughts? --- Gary: [atargetrustee1@burkecentre.org](mailto:atargetrustee1@burkecentre.org)

### Working Session Summary

3/5/2024, 7:30 PM, via Zoom

(Approval of this draft pending next Board meeting.)

**I. CALL TO ORDER:** President Flaster called the meeting to order at 7:30 PM.

**II. RESIDENT INPUT:** Craig Willett (Woods resident) requested that the Conservancy invite a Virginia state forester to speak to the Board about developing a Forest Management Plan for the trees within the Conservancy. Mr. Willett explained that this was a free service. The Board agreed to invite the forester to the next Board of Trustees meeting.

**III. BOT GOALS AND PRIORITIES:** Mr. Gloyd discussed the following goals:

- a. **Automation/Technological Improvements:** The transition to the Enumerate platform is ongoing with completion of the test launch expected this month.
- b. **Accelerate Tree Assessment:** The Board recently authorized a contract with Growing Earth Tree Care to assist the Conservancy in completing tree surveys for each cluster. Work has been paused pending a discussion with the Board regarding funding needs

for the high volume of tree removals recommended during the survey.

### **c. Identify Opportunities to Utilize Volunteers &**

**Recruitment:** Ms. Winslow setup a Zoom session for March 27th to provide information and garner interest for potential volunteers to assist the Conservancy throughout the year.

**d. EV Charging Stations/Policies:** The Board has implemented a policy for homes with driveways for EV charging, and is now working to develop a policy for properties that do not have a personal parking space.

**e. Improvements to BCC footprint:** Mr. Gloyd reported that an issue with the meter at Bass Pond had been resolved. Additionally, demolition for the renovation of the Summer Oak tot lot has begun.

### **IV. WILMINGTON DRIVE TRAFFIC STUDY:**

Trustee Gualkowski mentioned that there would be a meeting with FCDOT on April 9th at 2 PM.

### **V. VDOT PROPOSED MODIFICATIONS TO**

**CHICK FIL-A INTERSECTION:** Mr. Gloyd reported that VDOT had asked if the Board wanted to hold a meeting to discuss the proposed changes for the Burke Centre Parkway Chick Fil-A intersection. He was also advised that doing so could result in a delayed project start date. Based on the Board's responses, Mr. Gloyd indicated that he would express the Board's interest in holding a meeting regarding the proposed changes.

### **VI. PONDS MAINTENANCE POLICY RESO-**

**LUTION:** Mr. Gloyd received feedback from the community as well as the Open Space Committee regarding the draft Ponds Maintenance Policy, and is working to incorporate their comments into the draft with a goal to approve it at the March meeting.

**VII. TREE SURVEY STATUS:** Growing Earth Tree Care has completed half of the total clusters that were outstanding on the survey list, however, the operations budget from 2023 was set given the previous pace of the tree contractor. Now, with all the tree removal recommendations that have been received as a result of the increased speed of the survey, the operations budget is running low to fund any more removals this year. Mr. Gloyd explained that the Board will need to make a decision at the March meeting whether to pause the survey process, or attempt to procure funds to remove the identified trees in the current fiscal year.

### **VIII. CONSERVATOR TRANSITION TO ELEC-**

**TRONIC FORMAT:** Ms. Winslow has been working with the Enumerate Engage staff to determine how ads may continue in the digital version of the Conservator.

**IX. FY2023 AUDIT STATUS:** Mr. Gloyd explained that the Conservancy's FY2023 audit was facing a delay and would not be ready in time for the auditor's report at the Annual Meeting. The delay was due to a number of factors. In the meantime, Mr. Payne, Finance Administrator, was asked to provide a financial

update at the meeting. After a lengthy discussion the Board agreed on a tentative review of the audit in May. Mr. Gloyd did not feel that the delayed audit would have a substantial impact on Conservancy business.

**X. CHARTER RENEWALS:** Mike Hathaway of the BC Tennis Association summarized their charter application to be reviewed at the March 18th meeting. Ms. Winslow mentioned that Burke CARES is still working to complete their charter renewal as well.

**XI. OAKS POOL UPDATE:** Trustee Shapiro has been examining census data and public records to help make a decision on the design of the Oaks Pool renovation.

**XII. CC GUIDELINES UPDATE:** Ms. Winslow mentioned that a draft revision to the guidelines would be ready for Board review by the April Working Session.

### **XIII. LANDINGS PICKLEBALL CONVERSION**

**PROJECT:** Mr. Gloyd summarized the current status of the lighting proposals and explained that there is still a large gap in the understanding between the Conservancy and the Pickleball Association as to how the funding for this project will be obtained. Mr. Gloyd explained that the Board will have to eventually render a decision as to whether to approve the request from the Pickleball Association. At this time it seems that concerns over funding for the project have not been sufficiently addressed.

### **XIV. NEW BUSINESS/FUTURE**

**WS ITEMS/PENDING ITEMS:** Trustee Shapiro introduced Norma Santana Conti who has been working on traffic problems along Burke Centre Parkway.

Trustee Gulakowski moved to excuse Trustee Trask from the meeting. The motion was seconded by Trustee Schnurpusch and passed unanimously.

### **XV. MARCH MEETING**

**AGENDA:** The Board reviewed the agenda for the March 18, 2024 Annual Meeting and asked staff to make several adjustments.

### **XVI. EXECUTIVE SESSION:**

Trustee Gulakowski motioned to adjourn the meeting at 9:14 PM into Executive Session for the purpose of discussing legal issues for the upcoming Annual Meeting. The motion was seconded by Trustee Schnurpusch and passed unanimously.

**XVII. ADJOURNMENT:** The meeting reconvened at 9:27 PM and immediately adjourned by unanimous Board consent.

# No FOMO for Burke Centre Pool Members!

**FOMO** stands for "*Fear Of Missing Out*", and for Burke Centre Conservancy pool members, this term will not apply! The Burke Centre Conservancy owns and maintains five large pools within the community. Burke Centre pool membership is offered for sale through September to both residents and non-residents. Pool membership includes access to the conveniently located pools, seven days a week, with hours ranging from 9:00 a.m. to 9:00 p.m.

The Conservancy is looking forward to the 2024 pool season with registration opening this month on April 18, 2024. Pool applicants will be required to sign up online at [www.burkecentre.com](http://www.burkecentre.com) under the POOLS tab. Follow the prompts to submit info and photos of each person named on the membership application. Pay for the memberships (and guest passes) online. Once your membership has been verified by the staff, your access to all five Conservancy pools will be activated.

The Conservancy will notify members in real time of announcements, last-minute pool closures due to weather, etc., and with OPT-OUT available.

*Non-resident rates will be published on the web site and mobile app starting the week of April 15th.*

## Storm Drain Safety

There are many storm water management basins or ponds, and other drainage structures and channels located throughout the property in the Burke Centre Conservancy similar to the one pictured above (*taken by Brian Engler, Landings*). While not all of these areas are designed to hold water on a continual basis, even these dry ponds and basins can pose a risk of harm, especially to children, when certain conditions are present.

Parents and others are asked to remind children to be cautious around all storm water management ponds and facilities, and children should be instructed not to go in the water. Many of these areas are subject to

dramatic and rapid changes during flood events and these areas can create hazardous conditions including sudden drop-offs, subsurface currents and the risk of entanglement due to vegetation or debris within the pond or facility.

Parents are reminded not to allow their children to play in or around any storm water management pond or facility, especially after any heavy rainfall or when drainage areas are holding water. When these drainage areas contain water, they are often muddy and may appear shallow. However, these areas often have the capacity to hold water deep enough to present a drowning risk to anyone that may enter the area.

If you notice a drainage area that appears to be clogged, flooded or holding water for an inordinate amount of time, contact the County's

Storm Water Management Division at (703) 877-2800. **Please dial 9-1-1 for life-threatening and/or flooding emergencies.** You may also contact the Conservancy office at (703) 978-2928 (or submit a report through the mobile app).

# Meet Gale Galligan, Creator of The Baby-Sitters Club Graphic Novels

Saturday, April 6, 2-3 PM

Register your elementary age child to meet Gale Galligan on Saturday, April 6, 2024 at 2-3 PM! Gale Galligan is a New York Times bestselling cartoonist best known for their four graphic novel adaptations of THE BABY-SITTERS CLUB. This is just one of the cool events offered at Burke Centre Library in April. Check out the list of events online.

You're invited to join our Annual Meeting of the Friends of the Burke Centre Library on April 23 at 7 PM at the Burke Centre Library. We hope to see you there!

Join the Burke Centre Library Friends. We are always looking for members to join. Join now to get in early for the Spring sale, membership is just \$5 or get a lifetime membership for \$50. As a reminder, at the book sale you can join at the door. We'd love to have more community members engaged with us as we ring in 2024. Members get advanced access to sales and special emails about our programming. Thanks for your support!

# Clear Communication Can Change Your Life

Your boss comes into your office and states you must do a presentation to the group in 30 minutes. You gasp because you are not prepared. But your boss smiles and says April Fool. Most of the time this does not really happen. You must be prepared for anything that happens and that requires thinking on your feet.

*We have a group for that.* Burke Toastmasters meets twice a month to help people learn to speak more clearly and organize their thoughts. You can practice and grow in a group of supportive friends. We all joined Toastmasters because we are all working to be better speakers.

You can start by giving a one-minute impromptu response, and build up to giving 5–7-minute prepared speeches. Toastmasters has different pathways you can follow at your own speed, from leadership to coaching to presenting a humorous speech. You can pick the one or ones that are right for you.

We would love to have you join us. We will cheer you on in your path to becoming a great presenter. We even have mentors if you want. We are a group of non-threatening friends, all trying to improve our speaking skills. Being able to communicate clearly is a skill that will take you far. You can improve over time, with practice.

The Burke Toastmasters Club meets at the Burke Oaks Com-

munity Center, 5708 Leather Drive, Burke, on the first and third and/or the fifth Thursdays of the month, from 7:30-9 PM. Come early to chat, get to know us, and make friends.

We welcome visitors at all our meetings. Guests have the opportunity to hear some interesting speeches, and even participate in Table Topics, with impromptu 1–2-minute answers to random questions. You can come as a guest as many times as you like. Each time you speak, you will increase your confidence.

Come visit with us on April 4 and 18, 2024 to become more comfortable in your speaking, paving your way to success. Click [www.Burke-Toastmasters.org](http://www.Burke-Toastmasters.org) for the details of our meetings, and lots of other good info.

If you have any questions, you can contact me, Marsha Woods, at [marjwoods@aol.com](mailto:marjwoods@aol.com). I am the VP Public Relations, and a former longtime Toastmistress. I'd be happy to chat with you.

BURKE MARKET OPENS

# Volunteer at the Burke Farmers Market this season!

Bring healthy, fresh food to your neighborhood by volunteering with the FCPA Burke Farmers Markets! The Fairfax County Park Authority is searching for volunteers to ensure the Burke Market, located at the VRE Station, runs smoothly this season.

Responsibilities include setting out signs and cones, setting up and staffing the Market information tent, directing vendors to their assigned spots, enforcing Market rules, and answering questions from customers. This is a great opportunity for people who like spending time outdoors, engaging with their community, and helping support local farms and small businesses!

The Burke Market runs on Saturdays from 8 AM-12 PM and is located at the VRE Parking Lot, 5671 Roberts Parkway. Contact [Elizabeth.moore@fairfaxcounty.gov](mailto:Elizabeth.moore@fairfaxcounty.gov) or call 703-642-0128 for more information.

## BURKE CENTRE CLASSES

### KARATE: OKINAWAN ISSHIN'-RYU

**F**itness, Confidence, Self-Defense! Join us! This program welcomes anyone ages 14 and up. Okinawan Isshinryu Karate, taught by the Northern Virginia Isshinryu Karate and Kobudo Club. Friday nights at the Ponds Community Center. Training includes cardiovascular conditioning and flexibility exercises, self-defense skills, traditional forms known as Kata, and controlled sparring. No experience necessary. Character development, respect and self-control are promoted during training to help students cope with daily stress and life challenges.

The instructors are internationally certified Black belts in Isshinryu Karate and Kobudo. Instructors for this class include Sensei Jim Miller, Yudansha, Master-Level Instructor, Sensei Arnold Selnick, Yudansha, Sensei Linda Keefer, Yudansha and Sensei Carl Denny, Yudansha. Stop by any class, or google "Northern Virginia Isshinryu Karate Club" for more information!

**TIMES:** 7:30-9:30 PM

**LOCATION:** Fridays @ Ponds CC

**REGISTER:** Contact Mr. Miller at (703) 966-7609; [nova.issheinryu@gmail.com](mailto:nova.issheinryu@gmail.com)

**FEE:** \$30 tuition (18 weeks) + \$30 Annual AAU membership fee

## WELLNESS: SOUND BATH, MEDITATION & RESTORATIVE YOGA

**W**e heal in community! We are all made of energy! Please join us in a powerfully restorative and deeply peaceful experience blending gentle mat-based or chair-based yoga, breath work, guided meditation and sound healing to balance your energy. Benefits include ease of chronic pain, better sleep, more focus, less irritability, clearer sinuses, and more.

Each month, Molly Field RYT-200+, will offer a meditation + a 45-minute sound bath in which participants are "washed" in sounds and vibrations emanating from crystal singing bowls, drums, tuning forks, Tibetan bowl gongs, and various other vibrational sound instruments to balance collective energy and clear chakras. You are **STRONGLY** encouraged to bring a blanket, a thick yoga mat, bolster or other comfortable gear to help you rest.

The cost per person is \$23 in advance via Venmo @molly-field-4; \$24.50 via PayPal, or \$30 cash only at the door. Contact Molly Field via email at [molly@themuddylotusyoga.com](mailto:molly@themuddylotusyoga.com) for more information and payment options. Each event is held at The Landings Community Center (CC). The time for each event is 4:30-6:00 PM, but arrive early to ensure entry. You will receive an email before the event with important information.
