IMPORTANT!
WOOD ASTOR COURT TRAIL
TEMPORARILY CLOSED NEAR THE TOT LOT

April 16, 2024

Dear Homeowners and Residents,

It has been brought to our attention that a mature tree has fallen and is blocking a portion of the trail near Wood Astor Court, in close proximity to the tot lot. The Facilities & Resources team are aware and working with CAS (Grounds Maintenance) to have the tree removed as quickly as possible. Upon completion of the tree removal, an inspection of surrounding trees will be performed, and the appropriate actions taken. Additionally, the tot lot equipment and timbers will be checked, and repairs made as needed before re-opening the area.

However, this section of the trail will be temporarily closed until all work is addressed. We appreciate your patience! As always, should questions arise contact the Facilities & Resources team on 703.978.2928 ext. 225.

Stephanie Martin
Facilities & Resources Administrator
