NATURE & COMMUNITY IN HARMONY

NOTICE - SCHEDULED WORK

Dear Homeowners and Residents,

Brothers Paving & Concrete Company will perform this year’s asphalt and concrete projects which may include crack fill, sealcoating, or full mill and paving services. Restriping of the parking spaces and fire lanes is included as part of the scope of work. Due to the nature of the mill and paving work all vehicles must be cleared from the parking lots for the full duration of the project, unless otherwise stated.

All work will be conducted Monday through Friday, between 8am and 5pm. In the event of inclement weather, it is often necessary to reschedule this type of work, when this happens notification will be provided electronically, and community signs updated with the alternative dates of service.

While work is underway, there will be periods when noise levels are elevated that are associated with increased activity from the Brothers Paving crew members as they mobilize equipment and perform the actual work which can be invasive when full mill and paving is required.

Date	Community / Cluster	Description of Work	Street or Other Identifier	Towing (re) Location Area
6.10.24 6.11.24	Wood Green Way	Full Mill, Paving and Restriping	Entire Parking Area	The Woods Community Center
6.11.24 6.12.24	Chestnut Wood Lane	Full Mill, Paving and Restriping	Entire Parking Area	The Woods Community Center
6.12.24 6.13.24	Wood Wren Court	Full Mil and Paving Restriping	Entire Parking Area	Knollwood Community Church
6.13.24 6.14.24	Wood Poppy & Wood Flower Court	Full Mill, Paving, and Restriping	Entire Parking Area	Knollwood Community Church

Noteworthy:

- If the closest community center (Woods) fills quickly, your vehicle will be towed to the Knollwood Community Church located at 10000 Coffey Woods Road, Burke VA 22015. The Facilities & Resources team have arranged for use of the parking area between Monday, June 10, 2024, from 8am to Friday, June 14, 2024, at 6pm. We ask that you occupy spaces further away from the entry to the church, so we are not inconveniencing their members and/or guests.
- The parking lots must be clear by 8am so that we can maintain the schedule and thus towing will begin promptly at 7:30am. Each area must remain clear of vehicles until the barricades are removed to allow sufficient drying time of the asphalt mixture and paint.
- Parking on the Woods Community Center lot is not permitted on Thursday, June 13th as there is a private event scheduled on this date and the entire lot will be needed.

Should questions arise that are not covered in this notice do not hesitate to contact any member of the Facilities & Resources team at 703.978.2928 ext. 225 (Alexandra). We thank you in advance for your cooperation and patience while we continue to make improvements throughout the Conservancy.
