

Marc Flaster

2023 Commons Trustee Candidate

BACKGROUND INFORMATION:

Professional: Office of Personnel Management 1975 to present. Currently, Senior Advisor to the Chief Privacy Officer, Office of Privacy and Information Management, providing advice on privacy issues affecting agency IT systems and program operations. Team lead/coordinator of OPM privacy unit. Responsible currently for preparing privacy compliance operational and policy documents as required by law, regulation and government policies. Has fulfilled a variety of staff, analytical, supervisory and managerial positions over nearly a half century Federal career.

Active in Federal Executive Institute Alumni Association, Executive Secretary, President and Board Member, 2013-2021; participating in the activities, Executive Forums and programs and events. Selected as Executive Secretary for 2013 and President for 2014-2017, and point of contact with partner organizations, such as the Partnership for Public Service and the Senior Executive Association, of which I am currently a member. Provided mentor support over the past several years to OPM employees, Young Government Leaders and to University of Virginia undergraduates.

GOALS AND OBJECTIVES:

1. Provide guidance and direction to Executive Director, staff, and to fellow Board members based on long-time experience with the Conservancy, to help guide the enterprise to be more efficient and effective in managing the community's affairs, and to be a change agent for the community.
2. Reinitiate emphasis on strategic goals and measures to keep the Conservancy on focus and in tandem with the directions of the Board of Trustees and interests of our residents.
3. Support greater outreach to community leaders, including our supervisor's office, county government, and legislative representatives for the best interests of Burke Centre.
4. Support and protect interests of condominium and co-op communities on issues affecting expenditures from the general assessment and promote fairness and equity in treatment by the Conservancy.
